Dear sir

In answer to this notice I have
not the money for good reason it would
not make a living on it. I went to time
before the Judge in Feburary 15, 20 and then agreed
to pay $15.00 and the Judge said everything was
O.K. and when my papers came back they
had been signed on account of just a few days
time I recived notice to appear before the Judge
again on Sept. 21. and according to the notice the
Judge would give me my papers but I did
not appear because there had failed and
I had decided to leave. If for good the Home
Stead inspector from Spokane at was up to
see me just before I came away on the 7th inst.

and the Judge would send to me the Final Proof
papers but I did not send it in
as it is all right to cancel that at

MEMORANDUM:

Mr. Hume.

S.W., 15--[illegible]--19--W. 4th M.
Homestead - Jesse H. Blair,
Date of entry - - 19th Sept., 1917.

Mr. Blair made application for patent for his Homestead on the 14th November, 1922. The evidence furnished showed the completion of the required settlement duties. The application for patent was not approved because of the applicant's failure to furnish his Certificate of Naturalization as a British Subject.

Cancellation proceedings were commenced against the entry on the 1st November, 1923, because of his failure to complete his application for patent.

Mr. Blair secured an advance of Soldiers Grain, total indebtedness to the 31st March, 1923, is $1'4.54.

Mr. Blair wrote the Department on [illegible] December last that he had some difficulty in connection with his application for Naturalization. It would appear that he had become disheartened through the loss of his crops. He has left the land and had reported that "it is all right to cancel that land any time you like", (letter 4th December, 1923).

Kindly advise whether the Agent should be instructed to cancel the entry, or Mr. Blair allowed a final notice to complete his application for patent by furnishing the Certificate of Naturalization and if he does not do so within 30 days to cancel the entry and [illegible] land, [illegible] re-sold.

I am in receipt of copy of your letter addressed to Mr. Bair at Unity, Saskatchewan, with accompanying reports made by Homestead Inspector Nurcombe. It will be noted from these reports that certain buildings and fences were sold two years ago.

This, it is accepted, was done by Mr. Bair before he vacated the land.

In view of the fact, therefore, that when he obtained his advance of Seed Grain in 1920 he gave these improvements as security and has apparently disposed of the same without providing for this indebtedness, our demand for payment should therefore be made perfectly clear to him.

Re: Account of Jesse H. Bair
S.E. 15-23-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $111.00 was advanced to Jesse H. Bair on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 111.00	$ 248.86	$ 359.86

The S.E. 15-23-10-W4 was formerly the Homestead entry of Jesse H. Bair on which security he obtained an advance of seed grain in 1920. His entry was cancelled on the 7th of April 1924.

In reply to our questionnaire of the 14th of January 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land covered at present by long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled and the lien discharged.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or may not become entitled thereto on or before the 1st January, 1921, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I have the honour to be,
Sir,
Your obedient servant

Acting Commissioner of Dominion Lands.

Dear Sir:

Re: M.F. 46-0-14-W4

This Department has an old account against the above noted farm for advances of seed grain to Oliver T.C. Williams in 1918. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Encl.

Re: Account of Oliver M.C. Williams
L.L. 14-23-11-4

The matter of the application for an abatement of [illegible] against the above mentioned party is referred to you, for attention as a Board to deal with such cases. Having completed the investigation I am now in a position to report as follows:

In 1917 seed grain amounting to $152.60 was advanced to Oliver M.C. Williams on the security of the above mentioned land. Payments of $6.60 and $3.20 were received in 1926 and 1927, respectively, and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 152.60	$ 351.29	$ 503.89

The N.E. 14-23-11-4 was formerly the pre-emption entry of the debtor on which security he obtained the advance of seed grain in 1917. His entry was cancelled on the 7th of October 1926.

In reply to our enquiries concerning the N.E. 14-23-12-W4 of the 19th of May 1934, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Area and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and is no longer offering any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

C.H. Gilchrist.

OTTAWA, 4th August, 1928.

Sir,-

N.W. Sec. 31 Tp. 57 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented preemption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Sir,-

N.W. ¼ of Sec. 9 Tp. 6% Rge. 10 West 4th Mer

Referring to your application for the right, here of taking up a second homestead, I have to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above mentioned, and if this is the only land for which you have obtained Crown patent, you are entitled to another homestead, and the transmission and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry of any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are intending to this Department for any grant or relief, the land taken under the authority of this letter will be subject to such incumbrance.

Samuel D. Beeman, Esq.,
Jasper Park,
Alberta.

P.S. This letter entitles you to take up only one quarter-section of available Dominion Land as your second homestead.

Your obedient servant,

The pre-emption and purchased homestead privilege was discontinued a number of years ~~ago~~, and it is not now possible for a settler to obtain an additional quarter-section of Dominion Land in this manner.

In regard to the fractional part of Sec. I will say that the road allowance between Sec. 31-58-18-4. 4th to the place cannot be used possibly six rods or less at any reasonable expense, and that I might state that I have a cheque [illegible] parcel I am applying for, to make my claim. Sir,-

N.½ Sec. 33 Tp. 38 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

S.E. ¼ of Sec. 26 Tp. 58 Rge. 22 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA. 8th February, 1929.

Sir,-

S.W. ¼ of Sec. 28 Tp. 57 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

L. S. 1 of Sec. 14 Tp. 73 Rge. 7 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

J. W. MARTIN,

Assistant Superintendent of Dominion Lands.

OTTAWA, 12th of July, 1928.

Sir,-

S.W. ¼ Sec. 30 Tp. 72 Rge. [illegible] West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

E.½ of Sec. 30 Tp. 72 Rge. 4 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA, 29th July, 1929.

Sir,-

S.E. ¼ of Sec. 31 Tp. 75 Rge. 6 West 6th. Mer.

Referring to Your application for the privilege of taking up a pre-emption, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these privileges, and that persons who had become entitled to them on or before the 31st day of March, 1930, had the right to make a homestead entry in lieu thereof, subject to homesteading terms.

Therefore, if you are the same person who obtained patent for the quarter section above described, and provided this is the only land for which you have claimed homestead patent, you are entitled to another homestead, upon presentation and surrender of your letter of authority to the Sub-Agent of Dominion Lands at Grande Prairie, who will be instructed upon receiving your homestead entry for the quarter section of Dominion Lands to which you are entitled, provided he is satisfied as to the continuance of your residence upon the said homestead.

I may further inform you that the homestead entry of an intending purchaser of an original homestead entry will not, by reason of such purchase, be cancelled, but will be in favour of a relative for the purpose of obtaining entry for the land as a second homestead.

If you are dissatisfied with this Department's decision, and desire to appeal, the Land Board under the provisions of this letter will be subject to such instructions.

Your obedient servant,

Sidney Alexander Housman, Esq.,

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

OTTAWA, 17th October, 1929.

Sir,-

N.E.¼ Sec. 13 Tp. 73 Rge. 7 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,

S.½ 3-24-6-W. 4th M.

Referring to your letter of the 30th of April last, I beg to advise you that as the Department has received evidence of the regrettable death in action of your son, Lieutenant Thomas Harold Broad, who held the above land under homestead and pre-emption entries, it has been decided that action will now be taken to have patent for his homestead, the south west quarter of section 3, issue in his name without calling for the performance of any further settlement duties, subject however, to any indebtedness to the Crown which may be registered against the land.

Patent for the pre-emption, the south east quarter of section 3, may also be issued as soon as the land has been paid for in full. The amount due in connection with the purchase price of this pre-emption is $480. on which no interest is chargeable until the instalments are due.

You will be notified of the issue of patent for the homestead which will be forwarded to the Registrar for the Land Registration District in which the land is situated and in order to obtain transfer of title it will be necessary to comply with the requirements of that official with regard to Letters Probate of Will or Letters of Administration. Should a certified copy of Letters Probate of Will or a certified copy of Letters of Administration be filed here before the pre-emption is paid for in full, patent for that quarter section might be issued in the name of the legal representative on completion of the payments.

Your obedient servant,

Assistant Secretary.

Ref. #1202.

OTTAWA, August 15th, 1928.

Sir,-

E. R. ½ Sec. 20 Tp. 71 Rge. 6 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

DOMINION LANDS BRANCH

Copy to: A.D.L.
Grande Prairie,
Ref. #1212.

OTTAWA, 13th of July, 1926.

Sir,-

S.E. ¼ Sec. 25 Tp. 72 Rge. [illegible] West [illegible] Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting these settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

N.E. ¼ Sec. 24 Tp. 72 Rge. 5 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.
